📍 Lagos, Nigeria

CAREER OBJECTIVE

Detail-oriented Frontend Developer with 2+ years experience building responsive, scalable web applications using React, Next.js, and Tailwind CSS. Looking to contribute to a dynamic development team where I can grow and make an impact.

WORK EXPERIENCE

Associate Front End Developer

ToshConsult Inc.

📅 2022 - 2024

📍 Ilorin, Nigeria

- Collaborated with UI/UX designers and backend developers to deliver responsive and user-friendly web applications.
- Led the front-end development team for 5+ projects, coordinating with team members to ensure seamless integration and fast loading interfaces.
- Spearheaded the development of the company's official website, ensuring optimized performance across all devices.

PROJECTS

Alphabills - Utility Bill Payment Web Application

📅 2023

- **Tech Stack:** HTML, CSS, EJS, Node.js, Express, MongoDB
- Built frontend components to enable seamless data purchase, electricity bill payment, and TV subscriptions.
- Integrated APIs with dynamic UI for enhanced user interaction.

ToshConsult

📅 2024

- **Tech Stack:** React, Tailwind CSS
- Built interactive pages that display available courses, their prices, and detailed descriptions.
- Implemented a course application form, enabling users to apply directly for their preferred courses.
- Ensured seamless navigation and a clean user interface for an optimal user experience across all devices.
